

# Mahyar TajDini

1988-June-16

Information Security Lead Auditor  
system Administrator  
Web Designer & Programmer

[Mahyar@TajDini.net](mailto:Mahyar@TajDini.net)

(+38)073-064-7388

## About Me:

- My favorite sports: Swimming, Basketball & Chess
- ☞ Creativity and Responsibility are the most important aspect of my personality
- ☞ I have a soft heart
- ☞ I feel others' emotions
- ☞ I make people feel at ease
- ☞ I don't get upset easily but I am sensitive
- ☑ Honest, Cleaver, Flexible, Focused, Friendly, Quiet, Relaxed and trustworthy
- ☑ Secretive and sometimes unpredictable

## Academic Education

City International University CA

Bachelor's Degree, Computer Network Engineering (2005 – 2009)

<http://city.university-edu.us> >>> Online Verification >>> ID: 472-23-0306

## Certifications

Microsoft Certified Professional

Microsoft, License C405-4390

March 2007 – Present

Microsoft Certified Systems Administrator

Microsoft, License C405-4396

January 2008 – Present

Microsoft Certified Systems Engineer

Microsoft, License C405-4397

January 2008 – Present

Microsoft® Certified Technology Specialist

Microsoft, License C405-4417, C405-4418, C405-4419

June 2011 – Present

Microsoft® Certified IT Professional

Microsoft, License C405-4420

June 2011 – Present

Microsoft® Certified Solutions Associate

Microsoft, License D716-1427

April 2012 – Present

Cisco Certified Network Associate

Cisco, License CSC011540961

May 2011 – Present

Information Security Management System

Lead Auditor (ISMS) Based on ISO/IEC TUV International

License IR/QM3426564

June 2015 – Present

## Honors & Awards

Best Trainer of Dana Training Complex (2009)

Best Hormozgan ICT Trainer: Director of Vocational province (2012)

3rd Best Iran Technical & Vocational Training Organization (2011)

Top Trainer of Dana Training Complex (2012)

Top Rank competitor in Iran Skills Olympiad (2007)

Best Trainer Hormozgan Technical & Vocational Training Organization (2015)

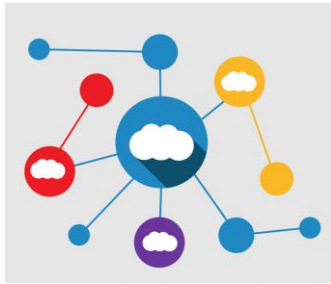

Best Hormozgan Worker (2015)

Top 10 Selected Project - *Khwarizmi International Award (2010)*

Top 10 Selected Project – *Khwarizmi young International Award (2004)*

# Skills

## NETWORK SKILL SET

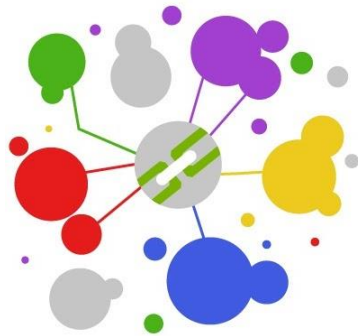

### Hardware

Routers: Cisco 3800, 2800, 1800, 800 Series, Netgear, Juniper, MikroTik  
Switches: Cisco 6500, 4500, 3750, 3560, 3550, 2900 Series, HP, Netgear  
Security: ASA 5500 Series, PIX5XX Firewall Series, IPS4200 Series, Cisco Secure ACS, VPN Concentrator, Cisco NAC, Cisco CSC  
Wireless: WLAN Controller 4400 Series, LWAPP/CAPWAP Access Points, Cisco WLSE, Cisco Wireless Control System WCS, Cisco 802.11n (1250 and 1140 APs), MikroTik

### Software

Solarwinds Orion, Ethereal, Wireshark, Observer, Ixia Chariot, WhatsUpGold, CiscoWorks, Cisco Security Manager, Cisco Secure Desktop, Cisco ACS, Cisco SDM, Cisco ASDM, OPManger

### Routing

Static Routing, RIPv1, RIPv2, EIGRP, OSPF, BGPv4, IS-IS, ODR, GRE, MPLS, IPv6, Traffic Engineering, Policy Based Routing PBR, NAT, HSRP, VRRP, GLBP, DHCP, NTP, SNMP, IP SLA, AAA (RADIUS/TACACS+), QoS, Route Filtering, Redistribution, Multicasting, Summarization

### Switching

STP, RSTP, MSTP, VTP, DTP, VLANs, Trunking, Layer 3 capabilities, Ether channels

### Security

Site- to-site VPNs, Remote Access VPNs/VPN Client, IPsec, SSL VPN, NAT, AAA (RADIUS/TACACS+), Access Control Lists, Traffic Filtering, Failover, Transparent Firewall, Security Contexts, IOS Security Features, Cisco Secure ACS, Cisco CSA, DMZs, CBAC, IDS, IPS, DoS Prevention, Cisco NAC, Cisco CSC, Cisco MARS, Cisco CSM, 802.1X

## Penetration Test Skills

I have Familiarity with Open Source Security Testing Methodology Manual (OSSTMM), Open Web Application Security Project (OWASP) and National Institute of Standards and Technology (NIST) Special Publications & also I have Experience using Rapid7 Nexpose and Metasploit, and commercial web application testing tools such as Burp Suite Pro, SAINT, Netsparker, Acunetix, Canvas, ... & good Experience on leading or participating on Red Team engagements and I have efficient Knowledge of applied cryptographic protocols, ability to Handle flows from “black box” to “grey box” to “white box” testing

## Microsoft Windows Skills

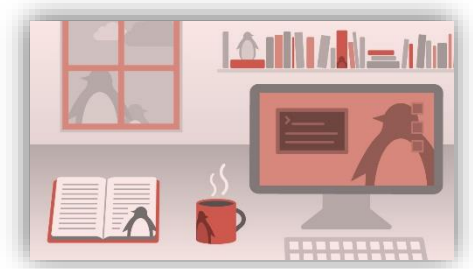

### Windows 9x-2012R2

Ability to Installing, configuring and implementing Active directory (Directory Service, Right management, certificate Service), File service(New Solution), NPS, NAP, RRAS, Load balancing, Fail over Clustering, IIS, ... server core and GUI, Upgrading windows 2003 to 2008 or 2012, Forefront TMG & UAG, Microsoft SQL Server Administration, Lync Server

## Linux Skills

Distro : Debian & CentOS

Install, configure, update and troubleshoot services such as OS level concerns, web server, database server, applications server; includes Apache, MySQL, PHP, FTP, SSH, DNS, and DHCP, Email Servers, Firewall, ...

## Other Technical Expertise

Automation: PowerShell, SmartThings, System Center Orchestrator

Designer: Corel Photo Impact, Camtasia Studio, Mobile Platforms (Android, iPhone/iPad, Windows Phone)

Developer: Automation Solution Connectors, C++, Command Line Scripting, HTML, Java, JavaScript, PHP, VB/VB.net, Perl, Python, CSS, C#, MS-SQL, MySQL, PostgreSQL,

Microsoft Encoder, Excel, FrontPage, OneNote, Outlook, PowerPoint, Product Studio, Visio, Windows Media Center, Word

System Center: Configuration Manager, Data

Protection Manager, Operations Manager, Orchestrator, Service Manager, Virtual Machine Manager,

Windows Server: Automation, Deployment, Disaster Recovery, Failover Clustering, File Server, High-Availability, Hyper-V,

Network Load Balancing, Patching, PowerShell, Server Manager, Storage Replication, System Center, Task Scheduler,

Virtualization

## Experience

- ✓ Young Consulting Director of Vocational province
- ✓ Iran National World Skills Olympiad Team Trainer - computer Networking
- ✓ Iran Technical & Vocational Training Organization : Trainer  
Teaching Network Courses: Network plus, MCITP Enterprise, CCNA, CCNP, CCNP Security, CEH ,...
- Network & Security Trainer
- ✓ Iran National Petro Gas Co.: Network and Security Consultant & System Administrator
- ✓ Rajaei Port: Network and Security Consultant & System Administrator, Port Passive networking
- ✓ Bahonar Port: Network and Security Consultant & System Administrator, Virtualization
- ✓ Bushehr Port: Virtualization VMware HA (High Availability) and DRS
- ✓ Satrap Net LTD: CEO
- ✓ Member of Iran AFTA (Council of Cyberspace Information Security)
- ✓ Member of Iran APA institute (information Security Research LAB & institute)
- ✓ Trainer of Iran FATA Police (ICT Police)
- ✓ Member of Committee Hormozgan CERT (Computer Emergency Response Team)
- ✓ Author of ICT Training Standards for Iran Technical & Vocational Training Organization
- ✓ Web site & Web application Development
- ✓ Robotic Trainer: First province in the third Robotics Institute in Iran
